DDWA-Asg1

This is a site to allow users to check their profile depending on whether they're a student, lecturer or admin.

- Student login details: student, studentpw
- Lecturer login details: lecturer, lecturerpw
- Admin login details: admin, adminpw

Design Process

The site was made with everyone in mind, making sure that it is as easy to use as possible. I also wanted the design to be as clean and simple as possible.

User Stories

- As a user of the site, i want to login, so i can check my profile.

Features

- Allows users to login.
